DISTRICT DIRECTORS AND DISTRICT TRAINERS IN THE
WESTERN REGION...**

***Join us for the Food Safety Train-the-Trainer Event
on December 5-6, 2017***

Holiday Inn San Diego Bayside in San Diego, California

This event is for district directors and/or district trainers to receive materials and information to provide training in their home districts. Materials will be provided for each session. Participant travel expenses will be reimbursed according to ICN's Participant Travel Policies and Procedures.

December 5, 2017—8:00a – 5:00p ***Food Safety in Schools*** is designed to provide school nutrition employees with up-to-date information on food safety. This training includes lessons and activities which allow participants to be actively involved in learning the food safety concepts needed to prepare and serve food safely and to keep school nutrition facilities safe and sanitary. The chapters cover topics such as food safety, prevention of foodborne illness, basics of microorganisms, how to keep a clean and sanitary school nutrition facility, process for foodborne illness prevention, and food safety programs in schools.

December 6, 2017—8:00a—12:00p ***Foundations for Training Excellence Basics*** is designed to assist participants in assessing the current level of training skills they already possess and to encourage further professional development. Participants will receive tools and resources they can take back to their workplaces to use immediately.

Participants who complete this 12-hour Train-the-Trainer session will earn 12 continuing education units approved by the Commission on Dietetic Registration and the School Nutrition Association. Codes for USDA Professional Standards are listed on the certificate of completion.
